

PRESIDENT'S LETTER

Hello, Everybody,

Well, what else can I say—Fall is here. Lots to do, Gardeners, from cleaning up, putting those gardens to bed, and planting those bulbs for spring. Don't forget to water your newly planted shrubs and perennials if you've planted any this fall season.

We're excited for the upcoming New Year for Green Scene. The committees are planning and working hard for Arbor Day, Street Trees, County Beautification, and Education. The Education committee is working on the next Symposium to be held again early this spring, and with another successful plant sale under our belts, we've already started planning for the next one and will be so excited to see everyone again.

I would like to personally welcome our four new board members, Ann Olsson, Brenda Clark, Diane Eachus, and Elaine Matthews, as well as all the returning board members. I appreciate all the hours of volunteer work you give to Green Scene.

Don't forget to send in your new membership for 2006-2007. Your old one expired at the end of the plant sale in May. Also check out our website www.greensceneinc.org for event dates and locations.

Linda Schulte, President
